## Dog Training and Boarding

### **Boarding and Daycare Agreement and Release of Liability**

1. I understand and agree that Dog as a Second Language: Dog Training and Boarding (and its staff, owners, contractors and agents) (collectively DSL) will not be liable for any problems, damages, injuries caused by my pet(s) during its stay at DSL. I as the pet owner (or owner's authorized representative) agree to be solely responsible for any and all acts or behavior of my pet while in the care of DSL. I hereby release DSL from any liability arising from my dogs' attendance and participation in the boarding/daycare environment. \_\_\_\_\_

2. I understand and agree that in admitting my dog(s) to DSL, DSLs' staff have relied on my representation that my dog(s) is/are in good health, has had flea prevention and has/have not harmed or shown aggressive or threatening behavior towards any person or any other dog. I also understand the policy of muzzling or separating all pitt bulls and staffordshire terriers and mixes of these breeds without exception and that dogs may try to remove their muzzle leading to self-inflicted injury. While these situations will be monitored by DSL staff and appropriate measures taken to reduce and prevent further injury, I agree to hold DSL staff harmless and give full permission knowing the risk.  
\_\_\_\_\_

3. I hereby certify that my dog(s) is/are in good health and has/have not been ill with any communicable diseases in the past 30 days prior to check-in. During the period of this agreement, I agree to notify facility of any known exposure of dog(s) to a communicable disease and hold pet out of attending facility until pet is symptom free for a minimum of seven (7) days or with written veterinary clearance. In the event that my dog(s) become(s) ill or injured to the point of requiring or appearing to require medical treatment, DSL staff will attempt to contact me, followed by an attempt to contact the emergency contact person I listed upon registration of my dog(s) with DSL. I give permission to DSL to provide emergency medical treatment by a veterinarian for my dog(s), should the need to arise within the discretion and judgment of DSL and such expenses shall be paid by me. \_\_\_\_\_

4. I understand that DSLs' daycare and open boarding areas and play areas are places where animals commingle in groups. I recognize that there are inherent risks of illness and/or injury when dealing with animals. Similarly, I understand that when dogs play in groups, they may sustain minor injuries such as nicks and scratches. Other risks include, but are not limited to problems resulting from pets ingesting food scraps or other materials found in or around the facility and kennel cough. DSL staff may wait until I pick up my dog(s) to inform me of any non-serious injury, such as nicks or scratches. \_\_\_\_\_

5. DSL agrees to exercise due and reasonable care for my Pet. I hereby releases DSL from any claims made against DSL or its employees or members or other agents or losses or damages of any kind suffered by DSL for or attributable to, any injury or illness of Pet. I agree that I shall be solely responsible for any and all acts and behavior of said Pet while in the care of DSL, including payment of costs for injury to staff or other animals or damage to facilities caused by the Pet. Furthermore, I indemnify DSL as a result of my failure to inform DSL of any pre-existing condition the Pet may have (such as illness or aggression problems) or which were otherwise caused by the Pet. If pet is transported to or from DSL by its staff, I hold DSL harmless in the event of injury or accident during transportation. It is expressly agreed by myself and DSL that DSLs' liability shall in no event exceed the lesser of the current chattel value of a pet of the same breed or the sum of \$200 per Pet. \_\_\_\_\_
6. I understand that full payment for boarding services, any medical treatment including flea treatment, or **costs accrued as a result of harm (playful or malicious) done by your dog**, and any additional requested services as outlined upon registration with DSL must be paid upon my arrival before my dog is released back to my care. In addition, I understand that my deposit of \$100 may be applied toward the cost of these services. If DSL staff is required to purchase extra food or other needed items, a service fee of \$10 will be applied. \_\_\_\_\_
7. I understand that if I leave my dog(s) at DSL for a period of 3 days beyond the scheduled ending date of their stay, without notification, my dog(s) will be considered abandoned and necessary steps will be taken to turn the animal(s) over to the proper authorities, and the deposit of \$100 will be forfeited. \_\_\_\_\_
8. I understand that DSL is a home-based business and that the staff operates on an appointment basis between the hours of 8am and 8pm Monday - Thursday and 8am and 5:30pm Friday - Sunday for drop off and pick up of pets. I understand and agree to the terms set if I am unable to pick up my pet at the stated time, that I am **fully responsible for additional fees of \$10 per half hour for arriving before or after the stated time**. I also understand that this fee is in addition to any hours the dog(s) stays after designated pick up time including the hours between closing of the day and reopening the following day. \_\_\_\_\_
9. I understand that if my dog has special requirements above and beyond normal pet care (ie: excessive crate wetting, need for conditioning of a muzzle, excessive separation anxiety etc.) that I may be charged an additional \$10 per day for extra time and staffing. \_\_\_\_\_
10. I certify that I have carefully read and understand the policies of DSL as set forth in this document and that I have read and understand the conditions and statements of this agreement. \_\_\_\_\_

**Okay for Milk Bones:    Y    N**

It is the practice of DSL to provide milk bones to each dog prior to nap time, and helps us keep things running smoothly with all dogs. If you strongly object to your dog receiving milk bones, you can circle N for no, and we will refrain. Thanks.
